I agree as a condition of participation in the MLS to abide by all relevant bylaws, rules and other obligations of participation including payment of fees. I confirm that I currently, and will on a continual and ongoing basis in the operation of my real estate business activities, actively endeavor to list real property of the type filed with the MLS and/or accept offers of cooperation and compensation made by other Participants through the MLS. I agree that I must continue to engage in such activities during my participation in the MLS. I acknowledge that failure to abide by these conditions of participation on an ongoing basis may result in potential suspension or termination of MLS participatory rights after a hearing in accordance with the MLS's established procedures.

## Revised Definition of MLS Participation For Inclusion in Association and MLS Bylaws

**Section 3—Participation:** Any REALTOR® of this or any other Board who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto.\* However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service “membership” or “participation” unless they hold a current, valid real estate broker’s license and are capable of offering and accepting offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.\*\* Use of information developed by or published by a Board Multiple Listing Service is strictly limited to the activities authorized under a Participant’s licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” or any right of access to information developed by or published by a Board Multiple Listing Service where access to such information is prohibited by law. (Amended 11/08)

Note: Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm 'offers or accepts cooperation and compensation' means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. “Actively” means on a continual and on-going basis during the operation of the Participant's real estate business. The “actively” requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website (“VOW”) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a Participant or potential Participant “actively endeavors during the operation of its real estate business” to “offer or accept cooperation and compensation” only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so.  
The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants. (Adopted 11/08)
